AGAMIM CLASSICAL ACADEMY POLICY

Students, No. 515

STUDENT DRESS AND APPEARANCE

I. PURPOSE

The purpose of this policy is to enhance the education of students by establishing expectations of dress and grooming that are related to educational goals and community standards, consistent with Agamim Classical Academy's Uniform Guidelines.

This policy is to minimize distraction and focus students' attention on their work at school rather than their attire, and to project a unified school image, which is proper and neat in appearance, reflecting the important nature of our enterprise.

It is also philosophical: serving as a tool of virtuous character development (*i.e.*, developing a sense of simplicity, humility, dignity, discretion; understanding principles and how rules are connected to principles; making prudent decisions, etc.). Uniforms are a means to help all members of the school attend to the mission and vision of the school.

II. GENERAL STATEMENT OF POLICY

Agamim Classical Academy students are expected to be in uniform daily. (School administration may designate a limited number of non-uniform days.) It is the responsibility of the parents to ensure that their child adheres to this policy.

The administration will develop uniform guidelines that specify the items appropriate for students at each stage. Teachers, with assistance from the administration, will enforce these guidelines.

A. The policy of the school is to encourage students to be dressed appropriately for school activities and in keeping with the school's standards. This is a joint responsibility of the student and the student's parent(s) or guardian(s).

B. Appropriate clothing includes, but is not limited to, the following:

1. Clothing appropriate for the weather.
2. Clothing that does not create a health or safety hazard.

3. Clothing appropriate for the activity (*i.e.*, physical education or the classroom).

C. Inappropriate clothing includes, but is not limited to, the following:

1. Any clothing not allowed under Agamim's school uniform guidelines.
2. Clothing bearing a message that is lewd, vulgar, or obscene.
3. Apparel promoting products or activities that are illegal for use by minors.
4. Objectionable emblems, badges, symbols, signs, words, objects or pictures on clothing or jewelry communicating a message that is racist, sexist, or otherwise derogatory to a protected minority group, evidences gang membership or affiliation, or approves, advances, or provokes any form of religious, racial, or sexual harassment and/or violence against other individuals as defined in Agamim Policy 402, Prohibition of Harassment and Violence.
5. Any apparel or footwear that would damage school property.

CI. Hats are not allowed in the building except with the approval of school administration (*i.e.*, student undergoing chemotherapy; medical situations).

CII. The intention of this policy is not to abridge the rights of students to express political, religious, philosophical, or similar opinions by wearing apparel on which such messages are stated. Such messages are acceptable as long as they are not lewd, vulgar, obscene, defamatory, profane, or do not advocate violence or harassment against others.

CIII. "Gang," as defined in this policy, means any ongoing organization, association, or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of one or more criminal acts, which has an identifiable name or identifying sign or symbol, and whose members individually or collectively engage in or whose members engaged in a pattern of criminal gang activity.

"Pattern of gang activity" means the commission, attempt to commit, conspiring to commit, or solicitation of two or more criminal acts, provided the criminal acts were committed on separate dates or by two or more persons who are members of or belong to the same criminal street gang.

III. PROCEDURES

A. When, in the judgment of the administration, a student's appearance, grooming, or mode of dress interferes with or disrupts the educational process or school activities, or poses a threat to the health or safety of the student or others,

the student will be directed to make modifications or will be sent home for the day. Parents/guardians will be notified.

B. The administration may recommend a form of dress considered appropriate for a specific event and communicate the recommendation to students and parents/guardians.

C. Likewise, an organized student group may recommend a form of dress for students considered appropriate for a specific event and make such recommendation to the administration for approval.
