**I. PURPOSE**

The purpose of this policy is to establish criteria for the administration of fundraising activity by Agamim Classical Academy. The primary purpose of fundraising is to support the school's educational programs.

**II. GENERAL STATEMENT OF POLICY**

Fundraising is defined as the making of a direct donation to the school, or the purchase of an admission, service or tangible good, at a regular or special fundraising event or campaign of the school. The Agamim board shall be responsible for interpreting the provisions of this policy.

**III. REGULAR FUNDRAISING PROJECTS**

- A. *Annual Appeal.* An annual fundraising appeal will be planned and administered by Agamim Classical Academy. Monies from this venture will be used for supporting academic programs of the school.
- B. *Selective Grants.* The Executive Director or designee oversees and administers the selective grant writing process. The Executive Director or designee or board chair is responsible for approving, including signing as needed any and all proposals and inquiries that are in accordance with the approved operating budget and strategic plans. Monies secured through grants will be used according to the stipulations of each grant agreement, and, if applicable, at the discretion of the board.
- C. *Capital Campaigns.* The Executive Director or designee and the board or any of its designated committees shall administer project-specific capital campaigns that are intended to generate funds for the purpose of the lease, purchase or lease with option to purchase, of real estate. Monies from capital campaigns will be used exclusively for the purpose established in the campaign itself.
- D. *Paid Admissions; Small Revenue Events.* Requiring paid admission to any activity sponsored by the school is considered a fundraising activity. Any monies raised by paid admission in excess of expenses will be used by the Executive Director or designee consistent with the purpose of the school's educational programs, including specific initiatives as authorized by the Executive Director or designee, in conjunction with the sponsoring organization, group or individual, and/or as articulated in the approved proposal relating thereto. The Executive Director or designee has authority to approve small-scale social events that are projected to raise money.

- E. *Rebates from Commercial Entities; Misc.* Programs sponsored by Agamim generating a commission, rebate, or referral fee on purchases between individuals and commercial entities shall not require approval by the board under this policy 711.
- F. *Commissions.* Agamim does not pay any finder's fees or commissions to any persons or organizations for directing gifts to the school unless authorized by the board.
