Equal Access Act Meeting

Statement of Policy

It is the policy of the school to grant equal access to school facilities for students who wish to conduct a meeting for religious, political, or philosophical discussion during noninstructional time, pursuant to the Equal Access Act. Provision of school facilities does not constitute school sponsorship of such meeting, and the views expressed therein may or may not reflect those of the school administration, staff, or board of education and are neither approved nor disapproved by them. Use of school facilities is also bound by the facilities use terms outlined in the school's building lease. Requests for use of the facilities outside of school hours and/or outside of the school's leased premises will be directed to the landlord.
